PARTNERSHIP WITH YALE: 10 YEARS

YALE OFFERING: COMPLETE DOOR HARDWARE PACKAGE

IFI Limited has been supplying manufacturing and installing products to window professionals for over eighteen years.

With a mission to support and supply specialist products to window and door fabricators and installers, IFI Limited first began using Yale's complete package of door hardware in 1999 and since then, the business has gone from strength to strength.

Yale's complete hardware package includes three hook stainless steel lock strikers, plus a high security handle and kitemarked cylinder combination which satisfies the very latest manipulation and attack testing under PAS 23/24.

Martyn Curran, Sales Director of IFI Limited, commented: *"Yale is a brand which has become synonymous with trust and reliability and IFI Limited has undoubtedly benefitted from supplying the product range. Indeed, we are proud to have been associated with such a strong brand for such a long period of time."*

"Yale offers many solutions to support fabricators and installers in a tough market, which all comply with the latest regulations and security standards, without compromising on aesthetics. And with Yale's brand having 98% recognition, IFI Limited and all of our customers, are definitely in safe hands and end users are also being provided with the peace of mind so many currently crave."

IFI Limited remains dedicated to supplying these products and providing customers with marketing, technical and competitive advantages, backed up by industry leading service and support.
